Breeze Harper: Sistah Vegan | Global Voices Lecture Series Why pro-intersectional veganism is important Capital, a Book of Labor Global Foodscapes Oppression And Resistance What we eat – as well as how it is produced, processed, moved, sold, and used by our bodies seems to matter like never before. Global Foodscapes takes on this topicality and asks readers to think about how we are all involved in the making of an odd and, in many ways, troubling and contested food economy. It explores how food is conceived, traded, grown, reared, processed, sold, and consumed; investigates what goes wrong along the way; and assesses what diverse people around the world are ...~~
