Positive Psychiatry: A Clinical Handbook - Google Books

Positive Psychiatry: A Clinical Handbook, edited by Jeste and Palmer, introduces to our field a paradigm shift by extending psychiatry ' s traditional focus on diagnosis and treatment of illness to enhancement of quality of life. Like Plato, positive psychiatry assumes that quality of life depends on psychosocial attitudes and skills.

Positive Psychiatry: A Clinical Handbook Paperback June 2 ...

Long overdue, Positive Psychiatry provides a rigorous and clinically useful guide to the growing body of research that strongly suggests that positive psychosocial factors such as resilience, optimism, and social engagement are associated with better outcomes, including lower morbidity, greater longevity, and a heightened sense of patient well-being. Because most of the research has been conducted outside of the field of psychiatry, it has had relatively little influence on everyday clinical ...

APA - Positive Psychiatry

Positive Psychiatry, a clinical handbook, edited by Drs. Dilip V. Jeste and Varton W. Palmer, is an engaging book that summarizes more than a decade ' s research on positive psychiatry. The book begins with defining positive psychiatry as actively promoting well-being and not a mere focus on symptom reduction to ameliorate suffering from mental illness.
